October Member of the Month:

Valencia County News Bulletin

The Valencia County News-Bulletin is a locally owned and operated community newspaper, dedicated to serving Valencia County through the highest journalistic and professional business standards. The VCNB is published weekly on Thursdays, including holidays — and online at news-bulletin.com.

The News-Bulletin welcomes and encourages commentary, especially on local topics and issues.

Their office hours are from 8 a.m. to 5 p.m., Monday through Friday. They are politically independent, and welcome community submissions from all points of view. And have a new home in the beautiful F & E Building in downtown Belen.

The Valencia County News-Bulletin, an award-winning newspaper is a member of the Greater Belen Chamber of Commerce, the Hispano Chamber of Valencia County, the Los Lunas Chamber of Commerce, the New Mexico Press Association, the New Mexico Foundation for Open Government and the National Newspaper Association.

Their dedicated, professional staff pours an enormous amount of creativity, passion and hard work into the creation of your community newspaper. But ultimately, it is their advertisers who make the Valencia County News-Bulletin & News-Bulletin.com possible, so, please tell them you saw them in the VCNB. Thank you, Valencia County News Bulletin Team who are so supportive of our communities!!!

A delicious lunch presented by La Dos Gringas New Mexican Restaurant was followed by honoring our Member of the Month, Valencia County News Bulletin. Five of our seven legislators cleared their busy schedules and came out and shared their goals for this upcoming legislative session. It was a packed house and a very informative session. We thank Lorraine Sachs Garcia of Sachs 5th Real Estate for opening up her beautiful facility to us for our luncheon!!!

VETERANS' DAY - NOVEMBER 11, 2019

Securing Social Security

Securities and advisory services offered through Cetera Advisor Networks LLC, member FINRA/SIPC, a broker/dealer and a Registered Investment Adviser. Cetera is under separate ownership from any other named entity.

Deciding on a strategy for claiming Social Security benefits might not be as complex if you worked long enough to earn the required number of quarters and were never married. However, when you add two-income couples and/or divorce into the mix—both historically high among baby boomers—the decisions become very complicated. Making the wrong choices can result in less income for the rest of your life.

Join our presentation to learn more about surprisingly complex situations including:

- When to consider claiming Social Security benefits
- How being married, divorced or widowed can impact your benefits
- How to potentially give your Social Security check a boost
- How benefits for one spouse can be affected depending on many factors, including when and how the other spouse files

This presentation will help to educate you on the many decisions involved in claiming Social Security benefits, as well as their consequences, and suggest strategies that can offer an opportunity to maximize the benefits received.
