Andrew Spears

### **Greetings**

I want to introduce myself, my name is Andrew Spears, and I am a financial advisor with Edward Jones Investments in Los Lunas. I have been an advisor since 2014 when I retired from the US Army as an MSG/1SG after multiple deployments. I am passionate about being involved with the community, especially the youth. I have coached at Rio Grande High School for the last eight years. Giving back and helping is something that drives me.

I want to extend immense gratitude to the full-time staff at

the Greater Valencia County Chamber of Commerce. Rhona and Del work tirelessly to help facilitate the board and all our requests. They are the first impression of the chamber and do an amazing job. In addition, I would like to thank the past board and John Ivey for all the work and leadership they provided during the last few trying years. As everything gets fully opened and back to normal, we, as a chamber, look forward to assisting businesses in the Belen area and expanding across Valencia County. The 2023 Chamber Board will continue to work with the City of Belen, Valencia County, the

New Mexico State Government, and all its members, ensuring they feel represented and are introduced to great opportunities. We appreciate our members' support and the sponsors that have helped us along the way; we need your support to help promote our community. The more opportunity we create to grow makes the chamber a valuable commodity to the local economy. Challenge yourself to join the room if you are not a member and help the community grow and prosper. Have an amazing 2023, and we are here for your service.

—Andrew Spears

Office Manager

For many of us, 2022 was a year of great triumphs and challenges but isn't that what life is? We put our hand to the plow and don't look back. As we look forward, we know we will prevail!!! 2023 will be a year of a new branding campaign to better reflect the membership represented in our Chamber. Our membership voted for a new logo. We are very excited to broaden our scope of services to our outlying municipalities. We will now be doing business as the Greater Valencia County Chamber of Commerce!

A special thanks to Past President John T. Ivey for taking time away

from his family and job to serve on our board this past year. We realize how much a sacrifice this can be, and we appreciate. We look forward to the same support with our incoming GBCC Board President Andrew Spears and our wonderful incoming Board of Directors, many of whom will be brand new to our Chamber board.

This year we welcome Diane Vallejos, Amanda Sanchez, Karla Garcia, and Ex-Officios, Michael Voegerl of UNM-VC and City of Belen Councilor Tracy Armijo. We have a complete board and a board excited to support our Office team and our Chamber membership. We have

representation from our board from all municipalities in our county. It's going to be an amazing year.

Our greatest blessing is our membership. Our office team will continue to work hard to ensure our membership experiences the greatest value in their membership in our Chamber.

Contact our Chamber office at 505-864-8091 if you would like to be a part of our growing Chamber of Commerce. Our amazing Office Manager/ Membership Specialist Del Plyler is so ready to answer all your questions and assist in the process. We promise to work hard to earn your trust and friendship.

# Randy Gettings

## CITIZEN OF THE YEAR

The Greater Belen Chamber of Commerce’s 2022 Citizen of the Year is Randy Gettings.

The Citizen of the Year is someone who is a contributor and volunteer to the community who receives no pay.

“Randy is constantly shown to give back to our community. He promotes Belen and Valencia County through his Facebook page, Good Stuff About Belen,” said the gala’s emcee Rudy Espinoza. “He also was instrumental in bringing back Old Man Quejas to the Our Lady of Belen Fiestas. He worked with other

volunteers tirelessly in putting it together to be burned at the fiestas. “He also created a new event in the county called the B Town Bike Rally, where hundreds of bikes travel from all over the southwest and converge at the Sheriff’s Posse Arena after a lengthy motorcycle run. He also has taken over the Rio Abajo Poker Run.”

Gettings said he was surprised and humbled by the award.

“I’d like to thank all the business people in Belen,” Gettings said.

“Without you, I couldn’t do what I do. I’m just humbled right now. God bless you all.”

## Friends of Whitfield Conservation Area

### SERVICE ORGANIZATION/ NON-PROFIT OF THE YEAR

The Friends of Whitfield Conservation Area was chosen as 2022 Service Organization/Non-Profit of the Year. "The Friends of Whitfield Wildlife Conservation Area exemplifies well the focus of Volunteer Group of the Year," Espinoza said. "The service club should be a club or organization giving service to the community without pay." The local organization is

dedicated to supporting the Whitfield Wildlife Conservation Area by promoting habitat restoration, education and conservation. They encourage the public to visit the area, see some wildlife and learn something about the diversity of plants and animals that call this place home. Linda Frazer, president of the board, thanked the chamber for the recognition and said they were honored

to receive the award. "We work really hard out at Whitfield, and we love being there for everybody," Frazer said. Andrew Hautzinger, director of VSWCD, also thanked the chamber. "I just want to say how appreciative we are for recognizing the great work the Friends of Whitfield does for us," Hautzinger said. "We view ourselves as a community asset, and our doors are always open ..."

## TLC Plumbing

### AMIGO AWARD

**T**LC Plumbing was given the Amigo Award by the chamber for 2022.

The Amigo Award is presented to an individual or business that has become recognized throughout the state and nation as presenting a positive, friendly image of Belen and Valencia County. Dale Armstrong, founder and CEO of TLC Plumbing, said he uses the company to make a positive impact on people's lives.

He said he started in the industry while in college to make a little income, but really didn't have a huge interest in plumbing.

"It was a way to pay my way through school," Armstrong said. "What I didn't like was making commitments to customers and the owner would change the commitments I had made. "That was hard for me because I think people should honor their commitments.

That's what drove me to start my own business."

While he didn't know what he was getting himself into when he started, he said he took a leap of faith.

"I pick my team who share the same values I have," he said. "We all occupy the same basic philosophy and set some core values — honesty, hard work, respect, consistency and compassion."

## Romero Funeral Home

## INFINITY AWARD

The Infinity Award, which was given to Romero Funeral Home, is given to the business which has continued as a viable, productive part of the economic vitality in the Belen community. Romero Funeral Home was founded in 1936 by Nicanor Romero and his wife, Alfides. The locally-owned business has been passed down from

generation to generation, with Dicky and Suzanne Romero operating the funeral home since 1995. Today, along with Rosalinda Ortiz, the funeral service practitioner, the company is involved in the community in several different ways. They have sponsored the "Salo Garcia Chile Contest" at Our Lady of Belen Fiestas for many years, and is a sponsor of the Valencia County

Fair Rodeo. Last year, the funeral home held its first trunk or treat event. "I thank everyone for giving us this award, and being here with us," Ortiz said. "On behalf of Romero Funeral Home, I'm here with our staff to be honored. We work hard every single day to be a part of your family when called upon during the hardest part of your life. Thank you."

## Infinity Award

## UPS Store

## SMALL BUSINESS OF THE YEAR

The UPS Store in Los Lunas was named Small Business of the Year. Rhona Espinoza, the chamber's executive director, said the chamber is honoring owners Raquel Montoya and Frances Macias for their volunteer work in the county. Some examples of the UPS Store's volunteer work include with both Los Lunas Schools and Belen Consolidated Schools,

with the Civil Air Patrol, Blue Star Mothers of Valencia County, Rio Communities Optimist Club, numerous fundraisers, local literacy programs and more. "We try and reach out to the community through different avenues," Macias said. "We try to do as many school supply drives, coat drives, food drives ... if we can all work together, we can make this community better."

***Small Business of the Year***

Meta Facebook

## CORPORATION OF THE YEAR

**M**eta/Facebook was given the Large Corporation of the Year award by the Greater Belen Chamber of Commerce.

During a video shown at the gala, the company vowed to continue to support water conservation in the area as well as its advocacy to remain a viable local employer.

The company, which has been building its data centers in Los Lunas, says they also

continue to make a difference at local schools, area nonprofit organizations and have expanded WiFi in Valencia County. Kristen Gamboa, the village's senior economic developer, accepted the award on Meta's behalf.

"The Meta data center campus has been revolutionary and has been a catalyst in Los Lunas and for the entire county of Valencia," Gamboa said. "Thank you very much on behalf of Meta."
